Dear Dental Group,

***"How beautiful a day can be when kindness touches it" ~ George Elliston***

I would like to personally thank your organization for donating dental services to children of the Sallie House and Children's Village. Many of the children have not received proper dental care before residing at the Sallie House or Children's Village. The time and effort that was taken to coordinate this service is priceless. I really appreciate Danielle for making sure the proper documentation was received and other tasks she completed to make this event such a success.

Many of the children returned talking about their dental experience and smiling after receiving the cleaning. We are truly blessed to have such a wonderful donation of service.

I hope we can continue to build a relationship with your organization. Again, please accept our deepest heartfelt thanks.

Warmest regards,

Caprice Johnson
